2015

HAYDEN PARKS & RECREATION relies on the generosity of both individual donors and the business community for helping to promote and produce events and youth programs that our community has come to expect. Only through these kind acts are we able to keep registration costs low for our youth programs and free admission to our community events. Sponsorship opportunities are available for several events and youth programs throughout the year.

Benefits vary depending on the program and are tailored to meet the needs of the sponsors. Some benefits may include:

- Name and/or logo on team shirt
- Recognition in marketing materials for events/programs
- Recognition in radio marketing for events
- Banner and sign placement during events/programs
