15.04.010 International Building Code Adoption.

There is hereby adopted by the Town of Hayden, for the purpose of providing minimum standards to safeguard life or limb, health, property and public welfare by regulating and controlling the design, construction, quality of materials, use and occupancy, location and maintenance of all buildings and structures within the Town, that certain code known as the International Building Code, 2009 Edition, including Appendix Chapters C and J, published by the International Code Council, 4951 West Flossmoor Road, Country Club Hills, IL 60478. The code, and the whole thereof, is adopted by reference thereto the same as if set forth in length in this section. This adoption is subject to the amendments set forth herein.

(Ord. 639 § 1, 2011; Ord. 597 § 1, 2008; Ord. 582 § 1 (part), 2007; Ord. 660 § 1, 2014)

15.04.020 International Building Code Amendments and Deletions.

The International Building Code, 2009 Edition, is amended as follows: The following sections and paragraphs or subparagraphs of the 2009 International Building Code are hereby amended or deleted as follows:

- A. The International Building Code is amended by replacing all references to "International Fire Code" with "adopted fire code."
- B. The International Building Code is amended by replacing all references to "ICC Electrical Code" with "National Electrical Code" as adopted by the State of Colorado.
- C. **Section 103.1, General**, is amended to read as follows:

The Building Department is hereby created and the official in charge shall be known as the Building Official.
- D. **Section 105.2, Work exempt from permit**, is amended as follows:

14. Doors and window replacement is not required a permit if no structural modifications are required for said replacement.
- E. **Section 107.5, Retention of construction documents**, is amended to read as follows:

One set of approved plans, specifications and computations shall be retained by the Town for a period of not less than 90 days from the date of completion of the work covered therein; and one set of approved plans and specifications shall be returned to the applicant, and said set shall be kept on the site of the building or work at all times during which the work authorized thereby is in progress.
- F. **Section 109.2, Schedule of fees**, is amended by adding a second paragraph to read as follows:

The fee for each permit shall be as set forth in the latest adopted fee schedule as adopted by the Town of Hayden.
- G. **Section 116.1, Unsafe structures and equipment**, is amended by adding a second paragraph, to read as follows:

The Building Official may use the Uniform Code for Abatement of Dangerous Buildings, as adopted, to provide a just, equitable and practicable method to be cumulative with and in addition to any other remedy provided by this code.
- H. **Section 901.1, Scope**, is amended to add a second paragraph as follows:

The authority having jurisdiction for fire protection systems shall have the authority to adopt additional standards for fire protection systems subject to applicable state statutes and the terms and conditions of any intergovernmental agreement between the Town of Hayden and any fire protection district.
- I. **Section 903.2.8, Group R**, is amended to add the following Exception:

EXCEPTION: An automatic sprinkler system is not required in multi-use buildings, two stories or less with no more than two (2) dwelling units, provided the building is constructed as required by Section 508.4, and an automatic and manual fire alarm system is installed in accordance with NFPA 72. Sprinkler systems required by other sections and other codes must still be provided.
- J. **Section 907.2.1, Group A, Exception**, delete.
