

Residential Trash and Recycle Guidelines

- ✓ Trash will be collected once a week on Tuesdays.
- ✓ Recycle will be collected every other week on Tuesdays.
- ✓ Missed pick-ups will be serviced the same day, if service truck is still in Town. If service truck has left Town, collection will be the next scheduled service day.
- ✓ Trash and Recycle items should be placed in the 96 Gallon Trash Container or 96 Gallon Recycle Container (yellow lid). Containers are for Residential Trash and Recycle only
- ✓ **No concrete, bricks, construction materials. Please call for large bulky or heavy items.**
- ✓ Containers are to be placed as close to the street (within 3 feet) by 7:00 a.m.
- ✓ Aces High will accept up to 3 additional bags or 32 Gallon Container of trash per residential household per collection day over and above what is in the 96 Gallon Container. Additional bags are not part of the monthly fee and are subject to additional fees. Upon request, Aces High will make arrangements to pick up more than the 3 additional bags or one 32 Gallon Container of trash, subject to additional fees.
- ✓ Bundles of items cannot exceed 4 feet and must be securely tied with cord or rope of sufficient strength to permit lifting and carrying full weight without spillage Bundles are used for branches and trimmings. Cardboard boxes should be broken down for recycle.
- ✓ Plastic bags or other disposable bags cannot fall apart when wet and must support the weight of their contents. Bags are used for trash only. Recycle should be loose or bundled.
- ✓ Place bundles and bags for collection next to the container.
- ✓ Any ashes must be cooled and placed in a disposable container to control and prevent fire when placed in the collection vehicle.
- ✓ Excess **recycle items only** may be placed in the Hayden Community Recycle Center located north of the Hayden Merc parking lot. **No trash, tires or bulk items.** Recycle items must be loose or bundled. **No plastic bags.** If the Hayden Community Recycle Center becomes contaminated (trash and other non-recyclable items) or overflowing; the center is subject to closure for safety and environmental concerns
- ✓ **Please see Single-Stream Recycling Guide for recyclable items.**
- ✓ Hazardous waste, including but not limited to: chemicals, asbestos, pesticides, herbicides, poisons, acids, caustics, explosives, fuels, oils, batteries, oil field waste or liquids, and appliances containing Freon are illegal to place in the landfill and will not be picked up curbside. Special disposal is required.

Residential	\$17.50 per month
Senior Residential	\$12.25 per month
