2019
Business Grant Program

The Town of Hayden’s ability to provide quality municipal services and infrastructure to the Hayden community is directly related to the economic success of the local business community. In order to assist the Town in meeting its economic goals, the Town will implement the Town of Hayden Business Grant Program for 2019. This two-track program will provide grants to businesses via a competitive application review process.

TRACK 1: The Town will consider providing Site Enhancement Grants to businesses that wish to install traditional site improvements such as facade improvements, landscaping, and other architectural upgrades. (See page two for details).

TRACK 2: The Town will consider Economic Development Grants to businesses that undertake capital investments (excluding working capital) that bring one or more of the following to Hayden:

• Addition of jobs to the local economy
• A unique amenity
• A region of draw to the Town Core or other commercial district
• Diversification to the Town’s economic base (See page four for details)

Grants will be awarded depending funding at a minimum of $1,200 per grant and possibly up to $10,000 per grant. Grant requests are required to include matching funds from the business in the amount of 20% of the total project cost but higher matches are encouraged and will make the request more competitive. Funding requests in excess of $10,000 will be considered for projects that provide exceptional benefit and may be subject to additional applicant criteria with the additional being a small business loan. Smaller projects are also eligible as there is no minimum.

Grant Program applications are available at Town Hall and on the Town’s Website at www.haydencolorado.org. Applications will be accepted between July 1, 2019 thru February 1, 2020. Grant funds will be awarded on a first come, first serve basis. Applicants are required to review their proposed projects with Town of Hayden Town Manager and Head Building inspector prior to application submission to gain an understanding of all applicable regulations, codes, and ordinances that may be
relevant to a specific project. Completed applications can be mailed or dropped off at Town Hall.

Grant awards will be announced within 10 days after scheduled and completed project presentation with the Economic Development Committee. If you have any questions regarding the Town of Hayden Business Grant Program, please contact ______________________ at 970-276-3741.
